Please comment on the White Bear FAS Biennial Seasonal Closure.

Do not renew the biennial seasonal closure. FWP expects if the FAS remains open between June and September in 2023 and 2024. This is a public resource and the public MUST NOT be allowed to disrespect the property. Law enforcement and the courts must be aggressive - - otherwise the vandals win or just go do it elsewhere.

Please comment on the White Bear FAS Biennial Seasonal Closure.

Close it, it would also be nice if Big Bend could be closed at the same time frame.
By closing White bear, it just push's the people over to Big Bend were they do the same stuff.
